 DAB's clear audio quality does not automatically mean great sound, unless the radio you're listening to sounds great. Enter Model DAB! This stunning new product from Tivoli Audio allows you to enjoy both the latest digital stations and your favorite AM and FM broadcasts because it combines a state of the art digital tuner alongside our award winning analogue tuner and electronics by Henry Kloss. As you would expect from Tivoli Audio, form and functionality take pride of place over gadgetry and audio quality is superlative.

Model DAB

Besides being pleasing to look at and excellent for use in the home or office Model DAB also makes a cool bedside companion featuring inclusive snooze, sleep and alarm functions. Model DAB is also unique in that it offers complete upgrade flexibility depending on your needs. On its own it's easily capable of filling a room with great vibes, but with the attractive additional speaker you have superb stereo sound.

Add Model CD and Model Subwoofer and you have a complete DAB music system. Details for all combinations are shown pictorially overleaf. Features aside, what really sets Model DAB apart is its astonishing sound and musicality. This is a radio that entertains and informs without fatigue and like other Tivoli Audio products it has a special blend of qualities that make it something you will cherish and use for a lifetime. Take full advantage of DAB's great sound with a great sounding radio...the Model DAB from Tivoli Audio.
